

Directions for Census 2010

1. Start at 2010.census.gov.
2. Click on “Look for Your Census Form NOW.” It’s a blue arrow in quadrant two of your screen.
 - a. Scroll over the question numbers to see the questions and their explanations.
3. Click on “What is the Census?” in the left-hand sidebar and read this section.
4. Click on “How We Count America” in the left-hand sidebar and read this section.
5. Click on “Why It’s Important” along the top.
 - a. Take the quiz on the bottom.
 - b. Follow the Related Link, “How It Benefits Your Community”
6. Click on “The Whole Story” on the left-hand sidebar, located in the blue box under “Read. Watch. Connect.”
 - a. Select questions that sound interesting and read their answers.
7. Fill out your responses on the Census 2010 paper on the front board for your class.
8. If time remains, practice for the states quiz or read silently to yourself. We will discuss Census 2010 as a class and examine our own class census count before you leave.
