
PACE Reflection

Please answer the following questions with honest, informational, thorough comments.
I will use these comments to help me when I teach PACE in the future.

1. What was the hardest part of PACE for you?
2. What was the easiest part of PACE for you?
3. What did you learn through completing PACE?
4. How could PACE be improved in the future?
5. Now that you know more about your chosen profession, do you still want to go into this field? Why or why not?
6. What advice do you have for students who will do PACE next year?
